

NEW RAILROAD RATES ARE NOW EFFECTIVE

PEOPLE ARE NOW PAYING INCREASE OF ONE-FIFTH IN THE PASSENGER FARES AND ONE-FOURTH IN FREIGHT.

All over the country people are now paying the increased rates on passenger, Pullman and freight fares. Since the new rates became effective last week the people are paying a 20 per cent increase on passenger fares, 50 per cent on Pullman fares, and here in the southeast an increase of 25 per cent on freight. In some parts of the east the freight increase runs as high as 40 per cent. Throughout the United States the freight increase runs about 33 1-3 per cent. It is estimated that the advance in passenger rates will increase railroad gross earnings by about \$20,000,000 monthly, more than 100,000,000 people participating in the payment of this increased sum.

Over the Florida East Coast railroad, of course, as over every railroad in the country, the increased tariffs are in effect. A ticket to Jacksonville now costs the traveler \$4.85, this being a 20 per cent increase over the former cost, \$4.04, and between all other points on the road the present tariff may be easily figured by adding one-fifth to the ticket prices that have prevailed heretofore. For the new Pullman rates add one-half of the old fare, and thus obtain the new rate.

Authorization for advances in passenger fares in the Great Lakes and coastwise service has also been announced by the shipping board. These rates may be made effective at any time on one day's notice, but may be deferred until January 1, 1921, at the discretion of the carriers. These increases will average 20 to 40 per cent in freight tariffs and from 20 to 33 1-3 per cent for passenger service.

Express rates also are on the up grade. The American Railway Express company is expected to advance its tariffs about 25 per cent, though there has been no announcement as to when such increases will become effective.

The additional increase or surcharge, in Pullman tariffs is due to the fact that a Pullman carries only about one-third the number of passengers an ordinary coach will accommodate. Money accruing from such surcharges will go direct to the lines hauling the Pullmans.

Mrs. Melvina Stivers, who has been for some time staying with her daughter, Mrs. Geo. J. Ott, left Tuesday for Louisville, Ky., where she will be the guest of relatives for a few weeks, returning here later to spend the winter season.

Mr. and Mrs. P. L. Gaddis and two children arrived home Wednesday night. Mrs. Gaddis and children have been visiting relatives in Georgia for several weeks and Mr. Gaddis joined them about two weeks ago.

The condition of Mrs. J. F. Van Deusen remains very critical, showing no signs of improvement.

FATAL ACCIDENT ON BEACH AT DAYTONA

Another fatal accident occurred on Daytona Beach last Sunday afternoon, the tragedy resulting from the ditching of a large automobile which turned turtle after one of the front wheels came off while the car was moving at fast speed. Charles A. Stewart of Arlington, N. J., a wealthy winter resident of Daytona, who was driving his big touring car, was instantly killed when the machine turned turtle. With the victim of the accident were Mrs. Stewart, who received a pelvic fracture, cuts on the head and internal injuries; Alfred B. Fuller, who sustained a fracture at the base of the skull; Mrs. Fuller, who had two ribs broken and was injured internally. Mr. Stewart was the owner of a tug boat line at Newburg, N. J., and had been coming to Daytona for a number of winters, remaining south this year to enjoy the summer weather. The Fullers were neighbors of the Stewarts at Holly Hill and were enjoying a Sunday afternoon ride with them on the beach.

Mr. and Mrs. William Van Courtlandt Brandt and two children arrived Tuesday from Philadelphia for a visit of ten days at the home of Mr. Brandt's parents, Mr. and Mrs. N. F. Brandt. This is Mr. Brandt's first visit to New Smyrna and he is much delighted with the city.

CITY MARSHAL ROLLO PLACED UNDER ARREST

PLACED UNDER \$1,500 BOND FOR ALLEGED SUPPRESSION OF EVIDENCE AND PROHIBITION LAW VIOLATION.

Deputy Sheriff and City Marshal M. A. Rollo was in Jacksonville Tuesday and the Times-Union of Wednesday morning has the following article relative to his visit to that city: "An unusual arrest was made Tuesday, when the city marshal of New Smyrna was taken into custody and brought to Jacksonville for the alleged violation of the national prohibition act. The city marshal, M. A. Rollo, was brought before United States Commissioner Carl Noble, by J. D. Richardson, deputy United States marshal.

"He furnished bond in the required sum of \$1,500 for a preliminary hearing on September 14.

"The arrest was made following information furnished by B. F. Mellick and J. A. Martin, prohibition agents. It is alleged that Rollo suppressed evidence that he should have furnished the government. The charge is made that he had secured a quantity of liquor which had been hid near a lake in his county and which had been shown him by two boys who had discovered their find while out fishing. The boys told their father and he in turn informed Rollo. It is said that Rollo met the boys and they took him to the place and then, it is alleged, he gave the boys money to not say anything about the matter, while he took charge of the find, never making any report thereof, it is alleged.

"It is stated that the government agents are also alert to the fact that some officials have in their possession liquor which they confiscated, but of which they have never made any report to those to whom such reports should be made. The agents have out a number of nets it is understood, and other arrests may soon follow."

AIR MAIL SERVICE KEY WEST-HAVANA

Airplane mail service between the United States and Cuba will be inaugurated this fall, says Postmaster General Burleson in announcing the first contract for the dispatch of foreign mail by seaplane. The contract, made between the government and the Florida-West Indies Airways company, calls for daily transportation of mail between Key West and Havana for one year from October 15.

"Train No. 85, leaving New York at 9:15 a. m., with the night's accumulation of mail and arriving at Key West at 10:50 a. m. the following day," says the postmaster general's announcement, "is the mail train connection between Key West and Havana. This will result in the placing of American mail in the Havana post-office in time for delivery, at least in the business district, the same afternoon, and thus enable a reply dispatched by the returning seaplane which leaves Havana at 5 p. m. and connects with the 9 p. m. northbound mail at Key West."

Mail of first class weighing four pounds six ounces or less will be handled, the postage rate to be six cents an ounce.

NEW PASTOR WILL ARRIVE NEXT WEEK

Rev. W. H. Pound, the new pastor of the Congregational church, with his family, will arrive here from Wolfboro, N. H., next week Friday and will immediately take up his work as pastor. The church parsonage and grounds have been thoroughly cleaned by the members of the church this week and put in nice condition for the new occupants. The first service to be conducted by the new pastor will be held Sunday, Sept. 12th.

Henry Dohn came up from Key West Saturday for a short visit at the home of his parents, returning to Key West Sunday night.

Rev. and Mrs. H. A. Spencer and family, who have been spending several days here, will return to their home in Jacksonville today.

Mr. and Mrs. H. A. Jernigan and son Theo. arrived home Sunday from their vacation outing in Tennessee and Kentucky.

SPECIAL BOND ELECTION FOR LIGHT PLANT NEXT TUESDAY

VOTERS TO SETTLE QUESTION OF LIGHTS

AFTER THREE MONTHS WITHOUT LIGHTS CITIZENS ARE NOW READY TO APPROVE ACTION OF COUNCIL.

The question of lights or no lights for New Smyrna will be settled at the polls next Tuesday, when the qualified electors will cast their ballots for or against the proposition to bond the city for seven per cent of the assessed valuation of the real and personal property, the proceeds of the sale of these bonds to be used to pay for the electrical machinery already ordered by the city council.

That the citizens have suffered long enough without lights and are ready to meet the issue of voting for bonds and get lights or voting against bonds and continue to suffer the inconveniences of no electric current, is evident, and the general impression is that but few votes will be cast against the bond issue. Practically all of these negative votes can be counted in advance and the reasons assigned for them.

Taking the figures for the year 1919, the total assessed valuation of real estate property in the city is \$638,270, and the total assessed valuation of personal property is \$120,930, making a total assessed valuation of \$759,200. On the basis of seven per cent the total amount of the bond issue will be \$53,147. Of course, if this full amount is not needed to pay for the municipal light plant, and it seems probable it will not all be needed, it will not be necessary to dispose of the full amount of the bonds. In order to relieve the uncertainty of whether the bonds can be sold after being voted, validated and issued, the State bank has agreed to take the whole or any part of the issue, if the city does not find a quick purchaser.

According to the provisions of the city ordinances only qualified electors who pay taxes on real and personal property will be permitted to vote in this special election. The polls will be open at 8 o'clock Tuesday morning and remain open until sundown. The city council has named Leo Fisher, Leo Baker and M. A. Galbreath as inspectors and clerk of the election.

It has been almost three months since the last vestige of sputtering juice from the plant of the New Smyrna Public Service company disappeared entirely and the company quit cold, leaving the city helpless and without any provision for electric current for lights or power.

Several efforts were made by the city council to interest private individuals in putting in an electric plant to supply current to the citizens, but without success, and it was finally determined that the only hope for the city to have lights for the winter season was to establish its own plant. Acting on this decision the council placed an order for an electrical unit and engine with the Fairbanks, Morse company, and it is said this machinery has already arrived in Jacksonville and will soon reach New Smyrna.

At the same time an order was placed for a second parallel unit to be shipped as soon as possible, and to reach here and be installed and ready for service by the first of December. The first unit should be ready to generate current within a month after it reaches New Smyrna, and the addition of the second unit will give the municipal plant a capacity for all light and power requirements in the city for several years.

The new plant will be established in the brick building owned by the city just west of the plant of the New Smyrna Public Service company.

Every qualified elector is urged to vote for bonds at the special election next Tuesday and help the city take a long, progressive step ahead.

The Gulf Refining company has a large crew of workmen with the big boat Lusterite engaged in putting in a new dock for the use of that company in handling its gasoline from the boat. The new dock is to be located just north of the city dock.

Next Monday, Sept. 6th, being Labor day and a legal holiday, the State bank will be closed all day.

POTATO GROWERS OF HASTINGS SUE F. E. C.

Alleging that the Florida East Coast railroad damaged their potato crop by having their employees dig a number of ditches near their farms with the result that the heavy rains of the past few weeks flooded their fields, thereby causing their entire Irish potato crops to rot in the field, eight farmers at Hastings have filed suits in the circuit court of Duval county asking for \$100,000 damages against the railroad.

The suits were filed by W. J. Peller, G. W. Johnson, H. G. Dickerson, George Wilton, J. L. Morrison, P. J. Messervy, Thomas McCullar and E. W. Carter, all farmers of Hastings, for \$50,000 each, making a total of \$400,000. The suits were filed by Attorneys A. H. and Roswell King, representing the farmers, who requested the court to make the suits returnable to the due day in September.

According to the attorneys' employees of the defendant railroad constructed several ditches near the farms of the plaintiffs during the month of July this year, with the result that the excessive rains of the past few weeks caused water to back up on their clients' farms due to the fact that the water could not run off as it should on account of the embankments of the ditches interfering. They declare the water ruined several hundred acres of Irish potatoes and that the suits are being brought on that account and also for trespass.

CITRUS FRUIT CROP SMALLER THIS YEAR

That the grapefruit and orange crop of Florida for the coming season probably will be smaller than that for 1919-20 is the belief of C. E. Stewart, business manager of the Florida Citrus Exchange.

Mr. Stewart is quite positive that while more oranges will be grown in the state than last year, the lesser yield of grapefruit will reduce the total production to a figure considerably below the eleven million box aggregate of the past season.

Estimates of a 16,000,000 box crop for 1920-21, credited to the Florida Citrus Exchange in recent dispatches from Tampa that were widely published throughout Florida, are repudiated by Mr. Stewart, who is in the north on business connected with the completion of sales plans for the organization of which he is the active executive.

Any over estimate of the citrus crop at this time of year is a serious matter for growers, he says. Speculators seize upon the figures as a means of inducing grove owners to part with their fruit at lower prices than conditions justify. There is no reason to believe that the production of the state will be large enough to keep down prices, according to Mr. Stewart, who feels that the heretofore cooperative market will bring growers satisfactory returns.

Mr. and Mrs. E. K. Anders came Monday from their vacation, visit with relatives in North Carolina.

T. W. Scott has resumed his place as superintendent of the News plant after a layoff since early in June because of illness.

Mrs. Tracy Acosta and daughter Catherine of Jacksonville have been spending the week at the L. B. Bouchelle home.

Miss Carrie Sheddard of DeLand, one of the teachers in the New Smyrna public schools, has been spending the week with friends here.

William Tyrder left Wednesday for St. Augustine, where he will complete the final year of his apprenticeship in the P. E. C. railroad shops.

Miss Ella Hankins spent several days last week with Dr. and Mrs. L. A. Robinson, on her way back from a trip to New York to her home in Fort Pierce.

J. T. Costner was in town a couple of days this week, leaving Wednesday for his home in North Carolina. He will return in October to spend the winter here.

Will Van Deusen, son of J. F. Van Deusen, arrived here last Saturday from his home in Pittsfield, Mass., called to this city by the critical illness of Mrs. Van Deusen.

HAWKS PARK WINTER HOMES ARE ENTERED

NUMBER OF CLOSED HOUSES BROKEN INTO RECENTLY BUT ROBBERS APPARENTLY FIND FEW VALUABLES.

Reports from Hawks Park say that ten homes of winter residents in that town have been broken into and ransacked recently and that up to this time no direct evidence has been obtained to connect any certain person or persons with the robberies.

The homes entered are those of winter residents who have left the places closed up while they are in the north during the summer months and by some it is contended that the breaking in has been done by boys of the neighborhood, and others believe the work has been done by outsiders who have learned the lay of things and studied the best times to break into the closed homes.

Most of the entrances have been made during the last couple of weeks and the permanent residents of the town are now keeping a close watch at night for prowlers with the result that no new robberies have been discovered within the last few days.

Few of the closed homes contain much of value that could be carried away by robbers as the furniture and furnishings are about all the owners leave in the houses when they close them up in the spring. Apparently little damage has been done to the premises, the robbers contenting themselves with a thorough search for whatever of value they might be able to locate.

County Agent to State Meeting

W. E. Dunaway, county agent for Volusia county, leaves tomorrow for Gainesville to attend the annual conference of county agents to be held in that city from the 6th to the 11th, inclusive. Mrs. Dunaway will accompany him, and they will make the trip in their car. Immediately after the agents' meeting Mr. Dunaway will take his vacation, motoring to points on the west coast and arriving back in DeLand the latter part of this month.

SHERIFF MORRIS TO QUESTION MURDERER

Sheriff Lee Morris has gone to Santa Ana, Cal., to obtain, if possible, more information from Mose Gibson, the colored murderer, concerning the murder of Mrs. Susan B. Clark at Orange City and the attack on Mrs. Marshall at Orange City Junction on the night of November 12, 1919.

Gibson, who is to hang September 24 for the murder of a California rancher, has confessed to numerous crimes, among them the Orange City murder and the Orange City Junction attack. In the confession he states he obtained information from other parties concerning the amount of money Mrs. Marshall had. Orange City people, as well as others, would like to have Gibson make a more complete statement in regard to his obtaining knowledge from others concerning the amount of money Mrs. Marshall was supposed to have on hand and just how he knew so much about the store room and home of Mrs. Clark. Orange City is guaranteeing the expenses of Sheriff Morris to go to California and get the information if possible.

ALLIGATOR HAS HOME IN THE SOUTH CANAL

Residents of the south part of the city, in the vicinity of the south canal, have been much interested lately in a new inhabitant of that section, a five-foot alligator having taken up his abode in the canal. The big saurian has been seen a number of times during the last week in the canal between the cement bridge on Magnolia street and the mouth of the canal and apparently seems to have taken up his permanent abode in the canal.

MANY ENJOY O. E. S. PICNIC AT PAVILION

The picnic outing observance of Robert Morris day by the local chapter of the Eastern Star attracted a large number of members of the Star and Masons and their families to Brann's pavilion Monday afternoon and evening. A program of games and contests for the children was carried through during the afternoon and a bounteous supper was spread on the specially arranged tables at 8:30 o'clock.

GROWERS TO CONSIDER THE BLACK FLY PERIL

CITRUS INTERESTS WILL HOLD MEETING AT ORLANDO NEXT WEEK TO CONSIDER THE MATTER.

All organizations and individual growers interested in the citrus industry are invited by the Orlando board of trade to attend a meeting in that city next week Thursday afternoon to take action toward asking the federal horticultural board for aid in preventing the establishment of the black fly in Florida through the proposed shipment of citrus fruit from the Isle of Pines and Cuba into the United States.

The call was issued following a meeting of the citrus committee of the Orlando board of trade with Dr. J. H. Montgomery, quarantine inspector of the state plant board. Dr. Montgomery told of the weak points in the quarantine service of the state plant board which make it imperative that further aid be secured from some source to protect Florida citrus growers from the black fly peril.

Dr. Montgomery pointed out that at present many railroad cars are being sent by ferry from Key West, taken into the interior of Cuba, loaded with fruit, and returned the same way. These cars come direct from the black fly infested groves and are sent north the entire length of Florida, where citrus groves are scattered all along the way within a stone's throw of the train. It is easily possible for the black fly to be carried on or in these cars, and escape while in transit through the state, according to Dr. Montgomery.

The state plant board has been maintaining a quarantine service and plant inspector at Key West and Port Tampa since the winter of 1915 and 1916, when shipments of citrus fruits from the West Indies first began. The inspectors at these ports have kept out much infected fruit, but with the increasing number of shipments attendant upon the establishment of a ship line direct from Tampa to the Isle of Pines, it will be hard for the state plant board to take care of the situation without increased funds and authority.

It is stated that the means can be provided in only three ways: First, by private contribution; second, by state legislation; third, by the federal government through the federal horticultural board. The first two means do not appear feasible, therefore, the citrus committee decided that this matter should be taken before the federal horticultural board for action. The shipping season is just beginning in Cuba and unless action is taken at once to handle the situation the black fly may become established in Florida and the state will have a repetition of the citrus canker menace. Dr. Montgomery points out that if the black fly may become established in Florida the cost and difficulty of eradication would be greater than that of citrus canker.

The state plant board will be at the Orlando meeting in force to assist in the matter and to advise concerning the proper course.

YOUNG COUPLE WEDS AT QUIET CEREMONY

At a quiet wedding ceremony performed at 1:30 o'clock Wednesday afternoon at the home of Rev. A. B. Cannady, pastor of the Baptist church, Homer D. Johnson and Miss Jessie Brooker were united in marriage. Following the ceremony a wedding dinner was served at the home of the bride's parents, Mr. and Mrs. R. C. Brooker, and the couple left on the afternoon train for a honeymoon trip to points in Alabama to be gone for about two weeks. Mr. Johnson is employed as a pipe fitter in the railroad shops and the couple will make their home in this city.

Miss Rena McLane Weds

At the parsonage of the Trinity Methodist church Monday afternoon, Miss Rena McLane, daughter of Will McLane of Hawks Park, and Jack Garner of Alexander City, Alabama, who has been one of the soldier patients at the Forster sanatorium, were united in marriage.

Algernon Brown, who lives alone on the east side of the river opposite Hawks Park, has been quite ill lately and has been taken to the sanatorium for treatment. His condition is said to be improving now.

The WEEK'S DOINGS

*New bicycles at Clouser's Bicycle shop.

Mrs. J. S. Shoemith has returned from her business trip to Atlanta.

*Car for hire, anywhere, at any time. Telephone Dixie garage.

J. B. Udell left yesterday for a visit with relatives and friends in Chicago.

C. J. Norman returned home Tuesday from a trip to Palm Beach and Stuart.

*Cool, sanitary bath rooms at Daugherty's Pavilion.

John T. Hammond returned Monday from his stay of several days at Indian Springs.

*Room and shower 10 cents at Daugherty's Pavilion.

Taylor Langford came down from Jacksonville to spend the week end with his parents here.

*Suit, room and shower 25 cents at Daugherty's Pavilion.

John Demos made a business trip to Jacksonville this week, returning home Wednesday night.

*Mechanics that know their business at the Service Garage, Magnolia street.

Mrs. W. B. Taylor of Gainesville has been spending the week here with her daughter, Mrs. C. H. Sams.

*Cool, sanitary bath rooms at Daugherty's Pavilion.

Mrs. E. L. Greer and Mrs. K. R. Leopold made a motor trip to Sanford and visited friends Wednesday.

Hugh Moore arrived home Monday from his stay of several weeks at the sanitarium in Battle Creek, Mich.

*Suit, room and shower 25 cents at Daugherty's Pavilion.

A full train load of Chinese laborers destined for the Cuban sugar fields passed through the city last Saturday.

*Room and shower 10 cents at Daugherty's Pavilion.

Work is progressing nicely on the third story which is being added to the Silvers building at Canal and Live Oak streets.

Mr. and Mrs. T. W. Scott are the happy parents of a fine son, born last Friday night. Mother and child doing nicely and Scott is slowly settling back to earth.

*Good mechanics, first class automobile repair work at the Service Garage, Magnolia street.

Dr. B. H. C. Farr and wife, who have been absent in the north over three months, are expected back within a week, but will visit in Osteen and camp on the St. Johns river for a time.

Jack Smith is recovering nicely from the effects of the operation for appendicitis to which he submitted at the Forster sanitarium last Friday morning. He was taken seriously ill Thursday night and hurried to the hospital.

*When your automobile needs repairs or overhauling, bring it to the Service Garage, Magnolia street. First class mechanics on the job.

State Secretary P. K. VanValkenburg of the Florida State Automobile

association was in the city Tuesday and Wednesday this week endeavoring to revive interest in the New Smyrna Motor club organization and collecting dues.

Rev. and Mrs. H. A. Spencer and family of Jacksonville are spending a week here visiting friends. Mr. Spencer was formerly pastor of the M. E. church, South, in this city and will occupy the pulpit of that church at the regular morning service next Sunday.

Mr. and Mrs. G. W. Brown are moving from their residence on Live Oak street, which they recently sold to the South Methodist church to be used as a parsonage, to Peter Paul's house on the river front. Rev. and Mrs. F. J. Patterson will occupy the new parsonage at once.

**FOR SALE—Six good cows. Call at 30 Volusia avenue, Daytona, and see them 16

Miss Carmen Benet of St. Augustine is spending the week at the home of her brother, J. C. Benet.

E. L. Greer returned home Wednesday night from a business trip to New York. On his way back he visited relatives in North Carolina.

Rev. and Mrs. F. J. Patterson arrived home this week from their vacation visit in Jacksonville and Callahan.

The News can print anything.

SHILOH AND ALLENHURST

Mr. and Mrs. J. A. Taylor are having a delightful visit in the mountains of North Carolina.

Mr. and Mrs. J. E. Pattillo returned Friday from a month's stay in Demorest and Lithia Springs, Ga.

Mr. and Mrs. Crawford Pattillo and Miss Edna Pattillo, who have been spending a week in Jacksonville, returned home Friday.

Mrs. Hattie Kuhl Griffith had quite a painful accident last week, falling and breaking her hip. She is at the Forster sanitarium at Hawke Park.

Mr. and Mrs. George Kuhl, Mr. and Mrs. Ben Kuebler and Frieda and Henrietta were at New Smyrna beach Sunday and enjoyed a swim in the ocean.

Messrs. Jackson, Taylor and Hankins made a trip to Hendersonville in Mr. Jackson's car. Cards have been received saying they had a good trip and are now enjoying the mountain air and climbing the rugged hills.

A wedding of much interest in the community was that of Miss Margaret Teague and Sergt. Ben G. Carlyle of Ft. Leavenworth, Kans. The ceremony was performed August 14 in Titusville at the home of the officiating minister, immediately after which they left for Tampa to visit the groom's brother. They will return to Allenhurst for a few days before leaving for their home at Fort Leavenworth. Mrs. Carlyle was a very popular young lady and her going away causes sincere regret to all her friends.

OAK HILL NOTES

Miss Glass of Titusville is the guest this week of Mrs. Horace Bennett.

Miss Pearl Simmons of Daytona is visiting her brother and sister, Mr. and Mrs. Harry Simmons.

Mr. and Mrs. Roy Harman and daughter returned Tuesday from an outing on the beach near Ormond.

Miss Laura Wright returned to Jacksonville Monday after a vacation of two weeks spent with her parents.

Miss Hamilton, who has been the admired guest of her uncle, J. C. Deal, returned to her home in Georgia last Wednesday.

Mrs. Sidney Williams, after a delightful visit to her daughter, Mrs. Jack Wagner at Fort Pierce, returned home last week.

Buren Baldwin is back in his place at Mosby's. Mr. and Mrs. Baldwin and children visited Titusville for two weeks of his vacation.

Miss Mattie Beall Magruder and Frances Johnson, after a two weeks visit with Mr. and Mrs. Hubert Magruder, left for Columbus, Ga. last week.

Mrs. G. L. Comer, Jr., returned home Friday of last week after an absence of five weeks visiting her parents in Nashville, Tenn.

A very congenial party which spent two weeks most pleasantly at Palm Springs included C. Goodson and family, Harry Simmons and family and Misses Bessie and Pearl Simmons of Daytona.

Mrs. Guller, who left early in the summer, writes of a most delightful visit to her old home in Tennessee. She plans to spend September with her son in Washington and October with her daughter in North Carolina, returning home early in November.

CORONADO NEWS

J C Barrington of Orlando spent Sunday with his family here.

Charles Cooper of Key West spent Tuesday here with his cousin W L Cooper.

Mr and Mrs William Schreck and Mr and Mrs W L Cooper motored to Daytona Friday.

Dr Wenanga and family came over from their home in Orlando and spent a few days at Palm Villa.

Mr and Mrs Wright Babbitt of Sanford spent the week end visiting at the home of Edw Brown.

T E Curry has had a pump in his front yard which assures him a good quality of drinking water.

Wm Blumhart of Pablo has returned to Coronado from Pablo Beach and is engaged in the fish business.

Mr and Mrs Lord and family of Sanford arrived the first of the week for a week's stay at the Palm Villa.

W W Haynes and family returned

to their home in Sanford Monday after a stay of two weeks in the Palm Villa.

Mr and Mrs Paus and family of Ocoee are spending a few days on the beach and have rooms at the Ocean View hotel.

Dr J A Rogero has purchased a new Overland four which he finds quite useful in going back and forth to his office in town.

Robt and Ralph Robinson came over from Sanford on their motorcycle Saturday and are spending several days at the beach.

Mrs Harold Vrooman and Mrs Jas Carrigan who is visiting her from Miami came in from the Vrooman camp at Lake Ashby the first of the week and spent a few days.

The following Orlando people are stopping at the Ocean View hotel for a time: Miss Sheppard and friend, Miss Norton, Mr and Mrs Fields and Miss Sylvia Robinson.

Rev W S Gray filled his regular appointment Sunday afternoon after

NOTICE BY RECEIVER

TO ALL HOLDERS OF UNREDEEMED ICE COUPONS ISSUED BY NEW SMYRNA PUBLIC SERVICE COMPANY

You are hereby called upon and notified to present to the undersigned, as Receiver of New Smyrna Public Service Company, at his office, Room 1604 Biscayne Building, Jacksonville, Florida, all unredeemed ice coupons issued by New Smyrna Public Service Company and now held by you, which coupons will then be redeemed and paid in full.

These unredeemed ice coupons must be presented as above not later than September 1st, 1920 in order to be entitled to redemption by the receiver.

This notice is published under order of Honorable Rhydon M Call, Judge of the United States District Court Southern District of Florida under order entered August 16th 1920.

a month's vacation. Sunday school next Sunday at 10:30 o'clock and preaching service at 2:30 to which all are invited.

There are still many inquiries for cottages for September and it looks like things will be pretty well filled up until October 1. A dozen more cottages could easily have been rented here the entire summer.

J Sautmyer of Higginsville Mo arrived this week for a stay at the Barber house. Mr Sautmyer has been a winter visitor in Coronado before and says he came down early this time to catch some of those big jewfish and bass.

Mr and Mrs Victor Lent and family and Miss Ida Cristy and brother Ronald of Sorrento enjoyed a picnic at Coronado last Friday. They fished on the river bank and spread their picnic dinner in Mr and Mrs W L Dutcher's dining room.

Mrs J A Read entertained several of her friends from Titusville last Friday afternoon. Bridge whist was played and at the conclusion of the games the hostess served a delicious lunch course. Those playing were Mrs Nell Mrs Maxwell Mrs Brady and Miss Alice Caldwell.

R B F Roper has finished surveying the balance of the Eldora road and work on the road is moving forward rapidly. As the survey runs there will be several miles of the road along the ridge in full view of the ocean. When completed this will be one of the prettiest drives in the county.

Florida Citrus Exchange Permanent Organization of Cooperating Growers

The advantages of cooperation in marketing grapefruit and oranges as well as in purchasing grove supplies assure the permanence of the Florida Citrus Exchange.

Through the application of the cooperative idea in its best and most practical form, the growers have been able to put into effect measures giving guaranty of continuous service.

By reason of these precautions grower members of the Florida Citrus Exchange will have their fruit handled with just as much care in short crop years as in seasons of full production, and at comparatively little increased cost.

Don't enter the next shipping season without membership in the Florida Citrus Exchange—apply for it now! For full information, write the business manager at Tampa, or call on

Here's how Joe's fish story really started

WE CLAMBERED down
THROUGH HEAVY thickets.
AND WE rowed the boat
OUT TO a rocky ledge
WHERE BLACK bass hide.
THEN JOE let out a roar.
FOR HIS cigar box
HAD FISH lines in it.
INSTEAD OF smokes.
AND HE refused with scorn.
OUR CIGARETTES.
HE SAID they were not.
EVEN FIT for bait.
HE'D HAVE a man's smoke
OR NOTHING
AND FOR an hour.
HE GOT nothing.
NOT EVEN a bite.

WHILE WE pulled em in.
AT LAST he grunted.
"GIMME A cigarette"
AND IT just happened.
HIS LUCK changed then.
SO NOW Joe swears
THAT THOSE cigarettes,
WERE SO blamed good.
HE BAITED a hook.
WITH ONE of them.
AND CAUGHT a whale.
PARTICULAR FISH, he says.
HIMSELF AMONG them
ARE JUST the sort
THAT THEY satisfy

MANY a cigar smoker will agree that Chesterfields "satisfy." They let you know you're smoking. And yet they're mild—mild and smooth. What's the secret? Just knowing how to blend choice Turkish and Domestic tobaccos—just right!

NEW RAILROAD RATES ARE NOW EFFECTIVE

PEOPLE ARE NOW PAYING INCREASE OF ONE-FIFTH IN THE PASSENGER FARES AND ONE-FOURTH IN FREIGHT.

All over the country people are now paying the increased rates on passenger, Pullman and freight fares. Since the new rates became effective last week the people are paying a 20 per cent increase on passenger fares, 50 per cent on Pullman fares, and here in the southeast an increase of 25 per cent on freight. In some parts of the east the freight increase runs as high as 40 per cent. Throughout the United States the freight increase runs about 33 1-3 per cent. It is estimated that the advance in passenger rates will increase railroad gross earnings by about \$20,000,000 monthly, more than 100,000,000 people participating in the payment of this increased sum.

Over the Florida East Coast railroad, of course, as over every railroad in the country, the increased tariffs are in effect. A ticket to Jacksonville now costs the traveler \$4.85, this being a 20 per cent increase over the former cost, \$4.04, and between all other points on the road the present tariff may be easily figured by adding one-fifth to the ticket prices that have prevailed heretofore. For the new Pullman rates add one-half of the old fare, and thus obtain the new rate.

Authorization for advances in passenger fares in the Great Lakes and coastwise service has also been announced by the shipping board. These rates may be made effective at any time on one day's notice, but may be deferred until January 1, 1921, at the discretion of the carriers. These increases will average 20 to 40 per cent in freight tariffs and from 20 to 33 1-3 per cent for passenger service.

Express rates also are on the up grade. The American Railway Express company is expected to advance its tariffs about 25 per cent, though there has been no announcement as to when such increases will become effective.

The additional increase or surcharge, in Pullman tariffs is due to the fact that a Pullman carries only about one-third the number of passengers an ordinary coach will accommodate. Money accruing from such surcharges will go direct to the lines hauling the Pullmans.

Mrs. Melvina Stivers, who has been for some time staying with her daughter, Mrs. Geo. J. Ott, left Tuesday for Louisville, Ky., where she will be the guest of relatives for a few weeks, returning here later to spend the winter season.

Mr. and Mrs. P. L. Gaddis and two children arrived home Wednesday night. Mrs. Gaddis and children have been visiting relatives in Georgia for several weeks and Mr. Gaddis joined them about two weeks ago.

The condition of Mrs. J. F. Van Deusen remains very critical, showing no signs of improvement.

FATAL ACCIDENT ON BEACH AT DAYTONA

Another fatal accident occurred on Daytona Beach last Sunday afternoon, the tragedy resulting from the ditching of a large automobile which turned turtle after one of the front wheels came off while the car was moving at fast speed. Charles A. Stewart of Arlington, N. J., a wealthy winter resident of Daytona, who was driving his big touring car, was instantly killed when the machine turned turtle. With the victim of the accident were Mrs. Stewart, who received a pelvic fracture, cuts on the head and internal injuries; Alfred B. Fuller, who sustained a fracture at the base of the skull; Mrs. Fuller, who had two ribs broken and was injured internally. Mr. Stewart was the owner of a tug boat line at Newburg, N. J., and had been coming to Daytona for a number of winters, remaining south this year to enjoy the summer weather. The Fullers were neighbors of the Stewarts at Holly Hill and were enjoying a Sunday afternoon ride with them on the beach.

Mr. and Mrs. William Van Courtlandt Brandt and two children arrived Tuesday from Philadelphia for a visit of ten days at the home of Mr. Brandt's parents, Mr. and Mrs. N. F. Brandt. This is Mr. Brandt's first visit to New Smyrna and he is much delighted with the city.

CITY MARSHAL ROLLO PLACED UNDER ARREST

PLACED UNDER \$1,500 BOND FOR ALLEGED SUPPRESSION OF EVIDENCE AND PROHIBITION LAW VIOLATION.

Deputy Sheriff and City Marshal M. A. Rollo was in Jacksonville Tuesday and the Times-Union of Wednesday morning has the following article relative to his visit to that city: "An unusual arrest was made Tuesday, when the city marshal of New Smyrna was taken into custody and brought to Jacksonville for the alleged violation of the national prohibition act. The city marshal, M. A. Rollo, was brought before United States Commissioner Carl Noble, by J. D. Richardson, deputy United States marshal.

"He furnished bond in the required sum of \$1,500 for a preliminary hearing on September 14.

"The arrest was made following information furnished by B. F. Mellick and J. A. Martin, prohibition agents. It is alleged that Rollo suppressed evidence that he should have furnished the government. The charge is made that he had secured a quantity of liquor which had been hid near a lake in his county and which had been shown him by two boys who had discovered their find while out fishing. The boys told their father and he in turn informed Rollo. It is said that Rollo met the boys and they took him to the place and then, it is alleged, he gave the boys money to not say anything about the matter, while he took charge of the find, never making any report thereof, it is alleged.

"It is stated that the government agents are also alert to the fact that some officials have in their possession liquor which they confiscated, but of which they have never made any report to those to whom such reports should be made. The agents have out a number of nets it is understood, and other arrests may soon follow."

AIR MAIL SERVICE KEY WEST-HAVANA

Airplane mail service between the United States and Cuba will be inaugurated this fall, says Postmaster General Hufschon in announcing the first contract for the dispatch of foreign mail by seaplane. The contract, made between the government and the Florida-West Indies Airways company, calls for daily transportation of mail between Key West and Havana for one year from October 15.

"Train No. 85, leaving New York at 9:15 a. m., with the night's accumulation of mail and arriving at Key West at 10:50 a. m. the following day," says the postmaster general's announcement, "is the mail train connection between Key West and Havana. This will result in the placing of American mail in the Havana post-office in time for delivery, at least in the business district, the same afternoon, and thus enable a reply dispatched by the returning seaplane which leaves Havana at 5 p. m., and connects with the 9 p. m. northbound mail at Key West."

Mail of first class weighing four pounds six ounces or less will be handled, the postage rate to be six cents an ounce.

NEW PASTOR WILL ARRIVE NEXT WEEK

Rev. W. H. Pound, the new pastor of the Congregational church, with his family, will arrive here from Wolfeboro, N. H., next week Friday and will immediately take up his work as pastor. The church parsonage and grounds have been thoroughly cleaned by the members of the church this week and put in nice condition for the new occupants. The first service to be conducted by the new pastor will be held Sunday, Sept. 12th.

Henry Dohn came up from Key West Saturday for a short visit at the home of his parents, returning to Key West Sunday night.

Rev. and Mrs. H. A. Spencer and family, who have been spending several days here, will return to their home in Jacksonville today.

Mr. and Mrs. H. A. Jernigan and son Theo. arrived home Sunday from their vacation outing in Tennessee and Kentucky.

SPECIAL BOND ELECTION FOR LIGHT PLANT NEXT TUESDAY

VOTERS TO SETTLE QUESTION OF LIGHTS

AFTER THREE MONTHS WITHOUT LIGHTS CITIZENS ARE NOW READY TO APPROVE ACTION OF COUNCIL.

The question of lights or no lights for New Smyrna will be settled at the polls next Tuesday, when the qualified electors will cast their ballots for or against the proposition to bond the city for seven per cent of the assessed valuation of the real and personal property, the proceeds of the sale of these bonds to be used to pay for the electrical machinery already ordered by the city council.

That the citizens have suffered long enough without lights and are ready to meet the issue of voting for bonds and get lights or voting against bonds and continue to suffer the inconveniences of no electric current, is evident, and the general impression is that but few votes will be cast against the bond issue. Practically all of these negative votes can be counted in advance and the reasons assigned for them.

Taking the figures for the year 1919, the total assessed valuation of real estate property in the city is \$638,270, and the total assessed valuation of personal property is \$120,930, making a total assessed valuation of \$759,200. On the basis of seven per cent the total amount of the bond issue will be \$53,147. Of course, if this full amount is not needed to pay for the municipal light plant, and it seems probable it will not all be needed, it will not be necessary to dispose of the full amount of the bonds. In order to relieve the uncertainty of whether the bonds can be sold after being voted, validated and issued, the State bank has agreed to take the whole or any part of the issue, if the city does not find a quick purchaser.

According to the provisions of the city ordinances only qualified electors who pay taxes on real and personal property will be permitted to vote in this special election. The polls will be open at 8 o'clock Tuesday morning and remain open until sundown. The city council has named Leo Fisher, Leo Baker and M. A. Gaffbreath as inspectors and clerk of the election.

It has been almost three months since the last vestige of sputtering juice from the plant of the New Smyrna Public Service company disappeared entirely and the company quit cold, leaving the city helpless and without any provision for electric current for lights or power.

Several efforts were made by the city council to interest private individuals in putting in an electric plant to supply current to the citizens, but without success, and it was finally determined that the only hope for the city to have lights for the winter season was to establish its own plant. Acting on this decision the council placed an order for an electrical unit and engine with the Fairbanks, Morse company, and it is said this machinery has already arrived in Jacksonville and will soon reach New Smyrna.

At the same time an order was placed for a second parallel unit to be shipped as soon as possible, and to reach here and be installed and ready for service by the first of December. The first unit should be ready to generate current within a month after it reaches New Smyrna, and the addition of the second unit will give the municipal plant a capacity for all light and power requirements in the city for several years.

The new plant will be established in the brick building owned by the city just west of the plant of the New Smyrna Public Service company.

Every qualified elector is urged to vote for bonds at the special election next Tuesday and help the city take a long, progressive step ahead.

The Gulf Refining company has a large crew of workmen with the big boat Lusitania engaged in putting in a new dock for the use of that company in handling its gasoline from the boat. The new dock is to be located just north of the city dock.

Next Monday, Sept. 6th, being Labor day and a legal holiday, the State bank will be closed all day.

POTATO GROWERS OF HASTINGS SUE F. E. C.

Alleging that the Florida East Coast railroad damaged their potato crop by having their employees dig a number of ditches near their farms with the result that the heavy rains of the past few weeks flooded their fields, thereby causing their entire Irish potato crops to rot in the field, eight farmers at Hastings have filed suits in the circuit court of Duval county asking for \$100,000 damages against the railroad.

The suits were filed by W. J. Pellier, G. W. Johnson, H. G. Dickerson, George Wilton, J. L. Morrison, P. J. Messervy, Thomas McCullar and E. W. Carter, all farmers of Hastings, for \$50,000 each, making a total of \$400,000. The suits were filed by Attorneys A. H. and Roswell King, representing the farmers, who requested the court to make the suits returnable to the due day in September.

According to the attorneys employees of the defendant railroad constructed several ditches near the farms of the plaintiffs during the month of July this year, with the result that the excessive rains of the past few weeks caused water to back up on their clients' farms due to the fact that the water could not run off as it should on account of the embankments of the ditches interfering. They declare the water ruined several hundred acres of Irish potatoes and that the suits are being brought on that account and also for trespass.

CITRUS FRUIT CROP SMALLER THIS YEAR

That the grapefruit and orange crop of Florida for the coming season probably will be smaller than that for 1919-20 is the belief of C. E. Stewart, business manager of the Florida Citrus Exchange.

Mr. Stewart is quite positive that while more oranges will be grown in the state than last year, the lesser yield of grapefruit will reduce the total production to a figure considerably below the eleven million box aggregate of the past season.

Estimates of a 16,000,000 box crop for 1920-21, credited to the Florida Citrus Exchange in recent dispatches from Tampa that were widely published throughout Florida, are repudiated by Mr. Stewart, who is in the north on business connected with the completion of sales plans for the organization of which he is the active executive.

Any over estimate of the citrus crop at this time of year is a serious matter for growers, he says. Speculators seize upon the figures as a means of inducing grove owners to part with their fruit at lower prices than conditions justify. There is no reason to believe that the production of the state will be large enough to keep down prices, according to Mr. Stewart, who feels that the heretofore cooperative market will bring growers satisfactory returns.

Mr. and Mrs. E. K. Anders came Monday from their vacation visit with relatives in North Carolina.

T. W. Scott has resumed his place as superintendent of the News plant after a layoff since early in June because of illness.

Mrs. Tracy Acosta and daughter Catherine of Jacksonville have been spending the week at the L. B. Bouchelle home.

Miss Carrie Shedd of DeLand, one of the teachers in the New Smyrna public schools, has been spending the week with friends here.

William Turner left Wednesday for St. Augustine, where he will complete the final year of his apprenticeship in the F. E. C. railroad shops.

Miss Ella Hankins spent several days last week with Dr. and Mrs. L. A. Robinson, on her way back from a trip to New York to her home in Fort Pierce.

J. T. Costner was in town a couple of days this week, leaving Wednesday for his home in North Carolina. He will return in October to spend the winter here.

Will Van Deusen, son of J. F. Van Deusen, arrived here last Saturday from his home in Pittsfield, Mass., called to this city by the critical illness of Mrs. Van Deusen.

HAWKS PARK WINTER HOMES ARE ENTERED

NUMBER OF CLOSED HOUSES BROKEN INTO RECENTLY BUT ROBBERS APPARENTLY FIND FEW VALUABLES.

Reports from Hawks Park say that ten homes of winter residents in that town have been broken into and ransacked recently and that up to this time no direct evidence has been obtained to connect any certain person or persons with the robberies.

The homes entered are those of winter residents who have left the places closed up while they are in the north during the summer months and by some it is contended that the breaking in has been done by boys of the neighborhood, and others believe the work has been done by outsiders who have learned the lay of things and studied the best times to break into the closed homes.

Most of the entrances have been made during the last couple of weeks and the permanent residents of the town are now keeping a close watch at night for prowlers with the result that no new robberies have been discovered within the last few days.

Few of the closed homes contain much of value that could be carried away by robbers as the furniture and furnishings are about all the owners leave in the houses when they close them up in the spring. Apparently little damage has been done to the premises, the robbers contenting themselves with a thorough search for whatever of value they might be able to locate.

County Agent to State Meeting

W. E. Dunaway, county agent for Volusia county, leaves tomorrow for Gainesville to attend the annual conference of county agents to be held in that city from the 6th to the 11th, inclusive. Mrs. Dunaway will accompany him, and they will make the trip in their car. Immediately after the agents' meeting Mr. Dunaway will take his vacation, motoring to points on the west coast and arriving back in DeLand the latter part of this month.

SHERIFF MORRIS TO QUESTION MURDERER

Sheriff Lee Morris has gone to Santa Ana, Cal., to obtain, if possible, more information from Mose Gibson, the colored murderer, concerning the murder of Mrs. Susan B. Clark at Orange City and the attack on Mrs. Marshall at Orange City Junction on the night of November 12, 1919.

Gibson, who is to hang September 24 for the murder of a California rancher, has confessed to numerous crimes, among them the Orange City murder and the Orange City Junction attack. In the confession he states he obtained information from other parties concerning the amount of money Mrs. Marshall had. Orange City people, as well as others, would like to have Gibson make a more complete statement in regard to his obtaining knowledge from others concerning the amount of money Mrs. Marshall was supposed to have on hand and just how he knew so much about the store room and home of Mrs. Clark. Orange City is guaranteeing the expenses of Sheriff Morris to go to California and get the information if possible.

ALLIGATOR HAS HOME IN THE SOUTH CANAL

Residents of the south part of the city, in the vicinity of the south canal, have been much interested lately in a new inhabitant of that section, a five-foot alligator having taken up his abode in the canal. The big saurian has been seen a number of times during the last week in the canal between the cement bridge on Magnolia street and the mouth of the canal and apparently seems to have taken up his permanent abode in the canal.

MANY ENJOY O. E. S. PICNIC AT PAVILION

The picnic outing observance of Robert Morris day by the local chapter of the Eastern Star attracted a large number of members of the Star and Masons and their families to Brann's pavilion Monday afternoon and evening. A program of games and contests for the children was carried through during the afternoon and a bounteous supper was spread on the specially arranged tables at 6:30 o'clock.

GROWERS TO CONSIDER THE BLACK FLY PERIL

CITRUS INTERESTS WILL HOLD MEETING AT ORLANDO NEXT WEEK TO CONSIDER THE MATTER.

All organizations and individual growers interested in the citrus industry are invited by the Orlando board of trade to attend a meeting in that city next week Thursday afternoon to take action toward asking the federal horticultural board for aid in preventing the establishment of the black fly in Florida through the proposed shipment of citrus fruit from the Isle of Pines and Cuba into the United States.

The call was issued following a meeting of the citrus committee of the Orlando board of trade with Dr. J. H. Montgomery, quarantine inspector of the state plant board. Dr. Montgomery told of the weak points in the quarantine service of the state plant board which make it imperative that further aid be secured from some source to protect Florida citrus growers from the black fly peril.

Dr. Montgomery pointed out that at present many railroad cars are being sent by ferry from Key West, taken into the interior of Cuba, loaded with fruit, and returned the same way. These cars come direct from the black fly infested groves and are sent north the entire length of Florida, where citrus groves are scattered all along the way within a stone's throw of the train. It is easily possible for the black fly to be carried on or in these cars, and escape while in transit through the state, according to Dr. Montgomery.

The state plant board has been maintaining a quarantine service and plant inspector at Key West and Port Tampa since the winter of 1915 and 1916, when shipments of citrus fruits from the West Indies first began. The inspectors at these ports have kept out much infected fruit, but with the increasing number of shipments attendant upon the establishment of a ship line direct from Tampa to the Isle of Pines, it will be hard for the state plant board to take care of the situation without increased funds and authority.

It is stated that the means can be provided in only three ways: First, by private contribution; second, by state legislation; third, by the federal government through the federal horticultural board. The first two means do not appear feasible, therefore, the citrus committee decided that this matter should be taken before the federal horticultural board for action. The shipping season is just beginning in Cuba and unless action is taken at once to handle the situation the black fly may become established in Florida and the state will have a repetition of the citrus canker menace. Dr. Montgomery points out that if the black fly may become established in Florida the cost and difficulty of eradication would be greater than that of citrus canker.

The state plant board will be at the Orlando meeting in force to assist in the matter and to advise concerning the proper course.

YOUNG COUPLE WEDS AT QUIET CEREMONY

At a quiet wedding ceremony performed at 1:30 o'clock Wednesday afternoon at the home of Rev. A. B. Cannady, pastor of the Baptist church, Homer D. Johnson and Miss Jessie Brooker were united in marriage. Following the ceremony a wedding dinner was served at the home of the bride's parents, Mr. and Mrs. R. G. Brooker, and the couple left on the afternoon train for a honeymoon trip to points in Alabama to be gone for about two weeks. Mr. Johnson is employed as a pipe fitter in the railroad shops and the couple will make their home in this city.

Miss Rena McLane Weds

At the parsonage of the Trinity Methodist church Monday afternoon, Miss Rena McLane, daughter of Will McLane of Hawks Park, and Jack Garner of Alexander City, Alabama, who has been one of the soldier patients at the Forster sanatorium, were united in marriage.

Algernon Brown, who lives alone on the east side of the river opposite Hawks Park, has been quite ill lately and has been taken to the sanatorium for treatment. His condition is said to be improving now.

OAK HILL NOTES

Mrs. Clayton McCullough has returned after a pleasant visit to her sister, Mrs. Mills.

Mr and Mrs Jeff Goodrich are the proud parents of a daughter, who has been named Bertha.

Perry Simmons and family of Daytona were calling on their children in this community Sunday.

Marion Louise and Breece Bennett returned to Titusville with Miss Glass and are spending the week there.

Mrs J K Rowley and children came down from New Smyrna Monday and spent the day with Mrs. Comer.

Mrs Barker and daughter, Mrs. Wing, have returned to South Jacksonville after a few days spent at the old home.

Dr. French, veterinarian, of Daytona, came down Friday night to doctor H J Magruder's horse. The mare died Sunday.

Mr and Mrs. Roy Harman and daughter visited relatives at Mims early in the week and Mr Harman worked his grove while there.

Mrs W J Cunningham accompanied by her granddaughter, Virginia, arrived late last week from Nashville to spend some time with Mrs G. L. Comer.

Judge Moss, while rounding the curve west of Mosby's on his way to Titusville last Monday, collided with a truck standing by the roadside and then steered his car into the ditch to avoid striking a woman and child. The judge's car was soon pulled out and escaped with a bent axle.

Printing Brings Clients

Not every business has a show window. If you want to win more clients, use more printing and use the kind of printing that faithfully represents your business policy.

You save money and make money for your patrons. Do the same for yourself by using an economical high grade paper — Hammermill Bond — and good printing, both of which we can give you.

If you want printing service and economy — give us a trial.

FLORIDA CITRUS EXCHANGE

Now is the Time to Join the Florida Citrus Exchange

In a few weeks the marketing season for citrus fruits will be upon us. Growers who wish to market their fruits co-operatively should join the Florida Citrus Exchange now.

Scarcity of supplies and shortage of labor make it more than ever necessary for each local association to know, before the season opens, approximately how much fruit it will have to handle.

Last year the Florida Citrus Exchange sold a great deal more fruit for the members than in any preceding season of its history and served them with greater efficiency in realizing the full market value of the product of their groves.

During the coming season the Exchange will maintain and improve the high standard of marketing service that has enabled it to so fully satisfy grower members. Enlarged volume assists the organization to operate more efficiently and more economically.

If you are not affiliated with the Florida Citrus Exchange but wish to profit by its sales service, take steps without delay to become a member. For information as to membership, write business manager Florida Citrus Exchange, Tampa, consult the manager of the nearest local association or call on

*For Sale, 1917 model Ford. Price, \$260. Frank J. Nordman.

Mrs. M. E. Langford and daughters, Louise and Nettie V., and son Walter, left Wednesday for a month's visit in Kentucky.

*Cool, sanitary bath rooms at Daugherty's Pavilion.

When Pastor W. S. Gray of the Trinity Methodist church and his family returned from their vacation outing at Daytona Beach they were given a "pounding" by the members of the church and congregation.

*Mechanics that know their business at the Service Garage, Magnolia street.

THE CHILDREN'S SCHOOL

*Housed in an attractive room, 30 by 20, with large windows and a big open fireplace, the Children's School is offered as a social center for little children under school age, where they shall gather in happy groups for study, work and play—with the guidance and sympathy of an experienced teacher.

The activities include work with kindergarten and Montessori materials, sewing, cutting, weaving, building, clay modeling, sand table development, water color and drawing, songs, singing games and dances, story telling and dramatization.

Work preparatory to first grade will be added for children who are ready to receive it.

A light lunch, consisting of a cup of milk and crackers or cookies is served every morning to each child.

School will open Monday, Sept. 20. Mothers are asked to enroll the children at least a week in advance, so that provision may be made for them and confusion, delay and possible disappointments avoided. Information given gladly.

EMILIE ROBERTSON,
Telephone No. 133

Mary Avenue, Corner Orange Street

*Good mechanics, first class automobile repair work at the Service Garage, Magnolia street.

*Room and shower 10 cents at Daugherty's Pavilion.

SAMSULA NEWS NOTES

J. B. Odell left last week for his home in Chicago.

Mr. and Mrs. J. G. Keene are rejoicing over the arrival of a new baby boy.

Mrs. Emma Keene and granddaughter of Lake City are visiting relatives here.

Mrs. Fred Schroer and children are spending a few days with Mrs. G. B. Stone.

Misses Frances and Esther Day of Lake Helen visited friends here last Sunday.

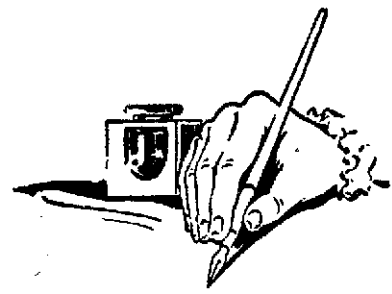

Mrs. Ola Richardson of Lake City is visiting her mother, Mrs. J. G. Keene, of his place.

A. G. Tripp has recently sold his farm and home here and left Tuesday for a visit with his mother in Clark Summit, Penna.

Mr. and Mrs. Oliver Clifton and children of New Smyrna were pleasant callers at the home of Mr. and Mrs. G. B. Stone Sunday afternoon.

Mr. and Mrs. G. L. Sipes and baby of Geneva stopped over here Tuesday on their way from Miami, where they have been visiting friends for the past week.

Miss Lou Helen Frogley of Lake Helen, formerly of Alama, and Delbert Euga have returned to their homes after a few days spent with friends at this place.

CORONADO NEWS

William Schreck made a business trip to DeLand Monday.

Mrs. Florence Wilson arrived Friday for a stay with her parents, Mr. and Mrs. W. I. Dutcher.

Mrs. Ralph Spidell of Orlando is spending some time here with her sister, Mrs. J. C. Barrington.

John Krulder, who has been away for over a year in New York, has returned to his home in Coronado.

Harold Vrooman came in from his camp and spent Sunday with his parents, Mr. and Mrs. John Vrooman.

Mr. and Mrs. B. R. Beck and family of Sanford left Monday after a stay of a month in the Cooper apartments.

Miss Jennie Marot has returned from Daytona Beach and will make her home with her sister, Mrs. Longstreet.

Miss Ruth McLean accompanied her friend, Miss Jean Maxwell, to Sanford last Monday and will remain for a short visit.

Mr. and Mrs. Maxwell and family left Monday for their home in Sanford after a stay of two months in Holly Road Villa.

Mr. and Mrs. H. C. Longstreet came down Monday from Daytona Beach and have again taken up their residence in Coronado.

Mr. and Mrs. Hugh Moore and family have moved back into their beautiful

cottage and will spend the remainder of the season at the beach.

Mr. and Mrs. William Schreck and Mr. and Mrs. W. L. Cooper enjoyed a picnic dinner Sunday at the home of Mrs. John Silsby. A very pleasant day was spent by all.

Inquiries for places for the winter have already begun to pile in and it looks like in spite of the increased railroad rates Coronado will have her share of tourists this winter.

Rev. Mr. Gray has returned from his vacation and regular church services are now being held. Sunday school at 2:30 p. m. and preaching at 3:30, to which all are invited.

Mr. and Mrs. N. N. Jensen of Ocoee are spending a month in the Kilduff cottage and are so well pleased with Coronado that they contemplate building a summer home here.

There are lots of sea bass coming in now and several fishing parties have caught a number at Red Shell and the inlet. September and October are the months when they bite best, but a large number have been caught this year in August.

W. J. S. Carr was successful in landing a 75-lb. tarpon in the surf one day last week. The tarpon is one of the gamest of fish and this one gave Mr. Carr some fight before he was landed. This is the season of the year when the tarpon can be seen jumping in the surf just outside of the white caps and for several consecutive years Mr. Carr has been successful in his efforts to land one of them.

JUNIOR RED CROSS ACTIVE IN EUROPE

Garden seeds for Polish orphans, milk for anemic Greek babies, carpenter's tools for Czech-Slovakian cripples—these are only a few of the gifts that young Americans are sending to the war-crushed children of the Old World.

Through the Junior Red Cross the boys and girls of the United States are giving a fresh start in life to little war orphans scattered all over Europe. They have set up orphan homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

They are sending dozens of young Syrians, Montenegrins, and Albanians to American colleges in Constantinople and Beirut, and maintaining more than a hundred orphans of French soldiers at colleges and trade schools. In orphanages and farm schools up and down the peninsula of Italy there are nearly 500 wards of American Juniors.

Last winter a thousand French children from the inadequate shelters of the devastated regions were sent by the Junior Red Cross to spend the cold months in warmer parts of France. At the same time five thousand little Belgians were having a hot lunch every day at Junior Red Cross school canteens.

American school children have already raised something like a million dollars for these enterprises, and they are still hard at work.

In China, through campaigns of education, the Junior Red Cross is helping to combat widely prevalent blindness and cholera.

RED CROSS RELIEF IN CENTRAL EUROPE

But for timely assistance of the American Red Cross during the last year, a large proportion of the 20,000,000 population of the Balkan states might have starved or perished from disease or exposure. Six million dollars worth of food, clothing and medical supplies have been sent to the Balkans—Roumania, Bulgaria, Albania, Montenegro, Serbia, Bosnia and Greece—since the beginning of Red Cross relief operations in Central Europe, while millions of dollars worth of food alone has been sent to the needy in these states.

The money expended by the Red Cross in this stricken portion of Europe has been used to set up hospitals, orphanages, dispensaries, mobile medical units and to help in the general reconstruction of devastated areas. American tractors and other farming implements have been sent to the agricultural regions where aid has been given in plowing the land.

By the last of this year probably all American Red Cross agencies administering relief in Central Europe will have withdrawn. By that time, it is believed, the people will have approached a normal state of living and will be able through their own agencies which the Red Cross has helped set up to provide for themselves.

Port Orange Episcopal Church
Sunday morning next there will be service in Grace church and Holy Communion at 11 o'clock. A cordial invitation is extended to all.

W. H. CRESSON, Archdeacon.

FLORIDA'S FAVORITE PAPER

The Tampa Morning Tribune is everlastingly fighting for the interests of the people and the development of this section, and no one who has the welfare of South Florida at heart can afford not to be a constant reader of The Tribune. It is Florida's great metropolitan paper, carrying the full night and day report of the Associated Press, with intelligent correspondents in every nook and corner of its territory. Its big Sunday edition has the most complete comic and magazine section printed in this state. The subscription rates are only \$8.00 per annum; \$4.00 per six months, and \$2.00 for three months. Write for sample copy and subscribe today.

NOTICE

Notice is hereby given that the undersigned Administrator of the estate of C. L. Berge, deceased, will on the first day of November, A. D. 1920, present his final account, as such Administrator together with his vouchers, to the Honorable County Judge of Volusia County, Florida, and ask that the same be allowed and approved, and that he be discharged as such Administrator.

This 6th day of May, A. D. 1920.
EUGENE M. BERGE,
Administrator.

(may7-1mo-6t)

BIDS WANTED

The Board of County Commissioners of Volusia County, Florida, will receive sealed bids up to 10 o'clock a. m. Thursday, September 9, 1920, for furnishing and installing book shelving and document files in the vault in the Clerk's office as per plans and specifications now on file in the Clerk's office.

JOHN A. REILLY, Chairman.
SAM'L D. JORDAN, Clerk.
(aug8-sp3)

ELECTION PROCLAMATION

Whereas, at a special meeting of the city council of the City of New Smyrna, Florida, held for that purpose on the 26th day of July, 1920, the following resolution was adopted, passed and approved: "BE IT RESOLVED, that it is expedient to exercise the authority to construct, establish and maintain an electric light plant for city use of the city and its inhabitants; that the mayor be hereby directed to call a special election for the purpose of determining whether or not the city shall bond itself in a sum not greater than seven per cent of the real and personal property assessment of the city for the year 1919; such election to be held after due notice given, as provided for by the Revised Ordinances of the city."

THEREFORE, I hereby call a special election to be held on the 7th day of September, 1920, at the council room of said City of New Smyrna, whereat those voters who are qualified to cast their ballots shall determine whether or not said City of New Smyrna shall bond itself in a sum not greater than seven per cent of the real and personal property assessment of said City for the year 1919, for the purpose of constructing, establishing and maintaining an electric light plant for city use of the city and its inhabitants.

GEORGE J. OTT, Mayor.
Witness my hand as Mayor of said City this 28th day of July, A. D. 1920.

**Even the prisoner
was satisfied**

THE CASE was over.

AND WE jury-men.

WERE LOCKED in a room.

AND ONLY one of us.

WAS FOR conviction.

AND HE stuck to it.

ALL THAT day.

AND AT supper time.

WE FELT like sending.

FOR ELEVEN suppers.

AND ONE bale of hay.

AND THEN all through.

THE LIVELONG night.

WE TALKED and fought.

BUT NO argument.

WOULD SATISFY him.

AND MORNING came.

A GRAY and cheerless dawn.

AND OUR stubborn friend.

WAS OUT of smokes.

AND I talked to him.

AND GAVE him one.

OF MY cigarettes.

IT MAY have been.

JUST A coincidence.

IT MAY have been.

BUT I rather doubt it.

HE FINISHED the smoke.

AS I finished my talk.

AND HE said, "All right.

YOUR ARGUMENTS.

ARE LIKE your smokes.

THEY SATISFY."

CHESTERFIELDS "satisfy."

And yet Chesterfields are mild. With "body" enough to satisfy a cigar smoker, Chesterfields are mild enough to suit any cigarette smoker. They're mild and yet they "satisfy." That is doubtless why Chesterfields have so many friends among both classes of smokers.

ANNOUNCEMENT

Beginning September 1 we will discontinue retailing in broken packages and will sell only in package and case lots.

In order to clean up all broken packages we will sell what we have on hand at actual cost to us, plus the cost of the handling, and we are anxious to get all this stock off our hands as soon as possible.

There will be no reservations and all sales will be for cash. First come first served as long as the goods last. When the broken lots are gone there will be no more packages broken.

*Room and shower 10 cents at Daugherty's Pavilion.

Work is progressing nicely on the third story which is being added to the Silvers building at Canal and Live Oak streets.

Mr. and Mrs. T. W. Scott are the happy parents of a fine son, born last Friday night. Mother and child doing nicely and Scott is slowly settling back to earth.

*Good mechanics, first class automobile repair work at the Service Garage, Magnolia street.

Dr. B. H. C. Farr and wife, who have been absent in the north over three months, are expected back within a week, but will visit in Osteen and camp on the St. Johns river for a time.

Jack Smith is recovering nicely from the effects of the operation for appendicitis to which he submitted at the Forster sanitarium last Friday morning. He was taken seriously ill Thursday night and hurried to the hospital.

*When your automobile needs repairs or overhauling, bring it to the Service Garage, Magnolia street. First class mechanics on the job.

State Secretary P. K. VanValkenburg of the Florida State Automobile

association was in the city Tuesday and Wednesday this week endeavoring to revive interest in the New Smyrna Motor club organization and collecting dues.

Rev. and Mrs. H. A. Spencer and family of Jacksonville are spending a week here visiting friends. Mr. Spencer was formerly pastor of the M. E. church, South, in this city and will occupy the pulpit of that church at the regular morning service next Sunday.

Mr. and Mrs. G. W. Brown are moving from their residence on Live Oak street, which they recently sold to the South Methodist church to be used as a parsonage, to Peter Paul's house on the river front. Rev. and Mrs. F. J. Patterson will occupy the new parsonage at once.

*FOR SALE—Six good cows. Call at 30 Volusia avenue, Daytona, and see them 16

Miss Carmen Benet of St. Augustine is spending the week at the home of her brother, J. C. Benet.

E. L. Greer returned home Wednesday night from a business trip to New York. On his way back he visited relatives in North Carolina.

Rev. and Mrs. F. J. Patterson arrived home this week from their vacation visit in Jacksonville and Callahan.

The News can print anything.

SHILOH AND ALLENHURST

Mr. and Mrs. J. A. Taylor are having a delightful visit in the mountains of North Carolina.

Mr. and Mrs. J. E. Pattillo returned Friday from a month's stay in Demorest and Lithia Springs, Ga.

Mr. and Mrs. Crawford Pattillo and Miss Edna Pattillo, who have been spending a week in Jacksonville, returned home Friday.

Mrs. Hattie Kuhl Griffiths had quite a painful accident last week, falling and breaking her hip. She is at the Forster sanitarium at Hawks Park.

Mr. and Mrs. George Kuhl, Mr. and Mrs. Ben Kuebler and Frieda and Henrietta were at New Smyrna beach Sunday and enjoyed a swim in the ocean.

Messrs. Jackson, Taylor and Hankins made a trip to Hendersonville in Mr. Jackson's car. Cards have been received saying they had a good trip and are now enjoying the mountain air and climbing the rugged hills.

A wedding of much interest in the community was that of Miss Margaret Teague and Sergt. Ben G. Carlyle of Ft. Leavenworth, Kans. The ceremony was performed August 14 in Titusville at the home of the officiating minister, immediately after which they left for Tampa to visit the groom's brother. They will return to Allenhurst for a few days before leaving for their home at Fort Leavenworth. Mrs. Carlyle was a very popular young lady and her going away causes sincere regret to all her friends.

OAK HILL NOTES

Miss Glass of Titusville is the guest this week of Mrs. Horace Bennett.

Miss Pearl Simmons of Daytona is visiting her brother and sister, Mr. and Mrs. Harry Simmons.

Mr. and Mrs. Roy Harman and daughter returned Tuesday from an outing on the beach near Ormond.

Miss Laura Wright returned to Jacksonville Monday after a vacation of two weeks spent with her parents.

Miss Hamilton, who has been the admired guest of her uncle, J. C. Deal, returned to her home in Georgia last Wednesday.

Mrs. Sidney Williams, after a delightful visit to her daughter, Mrs. Jack Wagner at Fort Pierce, returned home last week.

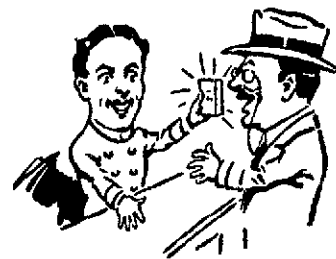

Buren Baldwin is back in his place at Mosby's. Mr. and Mrs. Baldwin and children visited Titusville for two weeks of his vacation.

Miss Mattie Beall Magruder and Frances Johnson, after a two weeks visit with Mr. and Mrs. Hubert Magruder, left for Columbus, Ga. last week.

Mrs. G. L. Comer, Jr., returned home Friday of last week after an absence of five weeks visiting her parents in Nashville, Tenn.

A very congenial party which spent two weeks most pleasantly at Palm Springs included C. Goodson and family, Harry Simmons and family and Misses Bessie and Pearl Simmons of Daytona.

Mrs. Guller, who left early in the summer, writes of a most delightful visit to her old home in Tennessee. She plans to spend September with her son in Washington and October with her daughter in North Carolina, returning home early in November.

Satisfied Customers

Means that those who come back to us again and again to buy after they've made their first purchase at our store always receive satisfactory service

CORONADO NEWS

J C Barrington of Orlando spent Sunday with his family here.

Charles Cooper of Key West spent Tuesday here with his cousin W L Cooper.

Mr and Mrs William Schreck and Mr and Mrs W L Cooper motored to Daytona Friday.

Dr Wenanga and family came over from their home in Orlando and spent a few days at Palm Villa.

Mr and Mrs Wright Babbitt of Sanford spent the week end visiting at the home of Edw Brown.

T E Curry has had a pump in his front yard which assures him a good quality of drinking water.

Wm Blumhart of Pablo has returned to Coronado from Pablo Beach and is engaged in the fish business.

Mr and Mrs Lord and family of Sanford arrived the first of the week for a week's stay at the Palm Villa.

W V Haynes and family returned

to their home in Sanford Monday after a stay of two weeks in the Palm Villa.

Mr and Mrs Paus and family of Ocoee are spending a few days on the beach and have rooms at the Ocean View hotel.

Dr J A Rogero has purchased a new Overland four which he finds quite useful in going back and forth to his office in town.

Robt and Ralph Robinson came over from Sanford on their motorcycle Saturday and are spending several days at the beach.

Mrs Harold Vrooman and Mrs Jas Carrigan who is visiting her from Miami came in from the Vrooman camp at Lake Ashby the first of the week and spent a few days.

The following Orlando people are stopping at the Ocean View hotel for a time: Miss Sheppard and friend, Miss Norton, Mr and Mrs Fields and Miss Sylvia Robinson.

Rev W S Gray filled his regular appointment Sunday afternoon after

NOTICE BY RECEIVER

TO ALL HOLDERS OF UNREDEEMED ICE COUPONS ISSUED BY NEW SMYRNA PUBLIC SERVICE COMPANY

You are hereby called upon and notified to present to the undersigned, as Receiver of New Smyrna Public Service Company, at his office, Room 1004 Bisbee Building, Jacksonville, Florida, all unredeemed ice coupons issued by New Smyrna Public Service Company and now held by you, which coupons will then be redeemed and paid in full.

These unredeemed ice coupons must be presented as above not later than September 1st, 1920 in order to be entitled to redemption by the receiver.

This notice is published under order of Honorable Rhydon M Call, Judge of the United States District Court Southern District of Florida under order entered August 18th 1920. Dated this August 17th 1920. GOV HUTCHINSON. As Receiver of New Smyrna Public Service Company.

THE NEWS FOR PRINTING

a month's vacation Sunday school next Sunday at 10 30 o'clock and preaching service at 2 30 to which all are invited.

There are still many inquiries for cottages for September and it looks like things will be pretty well filled up until October 1. A dozen more cottages could easily have been tented here the entire summer.

J Sautmyer of Higginsville Mo arrived this week for a stay at the Barber house. Mr Sautmyer has been a winter visitor in Coronado before and says he came down early this time to catch some of those big jewfish and bass.

Mr and Mrs Victor Lent and family and Miss Ida Cristy and brother Ronald of Sorrento enjoyed a picnic at Coronado last Friday. They fished on the river bank and spread their picnic dinner in Mr and Mrs W J Dutcher's dining room.

Mrs J A Read entertained several of her friends from Titusville last Friday afternoon. Bridge whist was played and at the conclusion of the games the hostess served a delicious salad course. Those playing were Mrs Nell, Mrs Maxwell, Mrs Brady and Miss Alice Caldwell.

R B F Roper has finished surveying the balance of the Eldora road and work on the road is moving forward rapidly. As the survey runs there will be several miles of the road along the ridge in full view of the ocean. When completed this will be one of the prettiest drives in the county.

FLORIDA'S FAVORITE PAPER

The Tampa Morning Tribune is everlastingly fighting for the interests of the people and the development of this section and no one who has the welfare of South Florida at heart can afford not to be a constant reader of The Tribune. It is Florida's great metropolitan paper carrying the full night and day report of the Associated Press with no life or come position in every nook and corner of its territory. Its Sunday edition has the most complete comic and magazine section printed in this state. The subscription rates are only \$3.00 per annum, \$4.00 per six months, and \$2.00 for three months. Write for ample copy and subscribe today.

BIDS WANTED

Sealed bids will be received by the Board of County Commissioners for clearing, grading and shelling five miles of county road north from Eldora. Bids to be opened by the Board of County Commissioners September 9th. For plans and specifications see R B F Roper New Smyrna.

Florida Citrus Exchange Permanent Organization of Cooperating Growers

The advantages of cooperation in marketing grapefruit and oranges as well as in purchasing grove supplies assure the permanence of the Florida Citrus Exchange.

Through the application of the cooperative idea in its best and most practical form, the growers have been able to put into effect measures giving guaranty of continuous service.

By reason of these precautions grower members of the Florida Citrus Exchange will have their fruit handled with just as much care in short crop years as in seasons of full production, and at comparatively little increased cost.

Don't enter the next shipping season without membership in the Florida Citrus Exchange—apply for it now! For full information, write the business manager at Tampa, or call on

FLORIDA CITRUS EXCHANGE

Here's how Joe's fish story really started

WE CLAMBERED down
THROUGH HEAVY thickets.
AND WE rowed the boat
OUT TO a rocky ledge
WHERE BLACK bass hide.
THEN JOE let out a roar.
FOR HIS cigar box
HAD FISH lines in it.
INSTEAD OF smokes.
AND HE refused with scorn.
OUR CIGARETTES.
HE SAID they were not.
EVEN FIT for bait.
HE'D HAVE a man's smoke
OR NOTHING
AND FOR an hour.
HE GOT nothing.
NOT EVEN a bite.

WHILE WE pulled em in.
AT LAST he grunted.
"GIMME A cigarette"
AND IT just happened.
HIS LUCK changed then.
SO NOW Joe swears
THAT THOSE cigarettes,
WERE SO blamed good.
HE BAITED a hook.
WITH ONE of them.
AND CAUGHT a whale.
PARTICULAR FISH, he says.
HIMSELF AMONG them
ARE JUST the sort
THAT THEY satisfy

MANY a cigar smoker will agree that Chesterfields "satisfy." They tell you know you're smoking. And yet they're mild—mild and smooth. What's the secret? Just knowing how to blend choice Turkish and Domestic tobaccos—just right!

They Satisfy Chesterfield CIGARETTES
Lightly and Tastefully

OAK HILL NOTES

Mrs. Clayton McCullough has returned after a pleasant visit to her sister, Mrs. Mills.

Mr. and Mrs. Jeff Goodrich are the proud parents of a daughter, who has been named Bertha.

Perry Simmons and family of Daytona were calling on their children in this community Sunday.

Marion Louise and Breece Bennett returned to Titusville with Miss Glass and are spending the week there.

Mrs. J. K. Rowley and children came down from New Smyrna Monday and spent the day with Mrs. Comer.

Mrs. Barker and daughter, Mrs. Wing, have returned to South Jacksonville after a few days spent at the old home.

Dr. French, veterinarian, of Daytona, came down Friday night to doctor H. J. Magruder's horse. The mare died Sunday.

Mr. and Mrs. Roy Harman and daughter visited relatives at Mims early in the week and Mr. Harman worked his grove while there.

Mrs. W. J. Cunningham, accompanied by her granddaughter, Virginia, arrived late last week from Nashville to spend some time with Mrs. G. L. Comer.

Judge Moss, while rounding the curve west of Mosby's on his way to Titusville last Monday, collided with a truck standing by the roadside and then steered his car into the ditch to avoid striking a woman and child. The judge's car was soon pulled out and escaped with a bent axle.

Printing Brings Clients

Not every business has a show window. If you want to win more clients, use more printing and use the kind of printing that faithfully represents your business policy. You save money and make money for your patrons. Do the same for yourself by using an economical high grade paper—Hammermill Bond—and good printing, both of which we can give you.

If you want printing service and economy—give us a trial.

FLORIDA CITRUS EXCHANGE

Now is the Time to Join the Florida Citrus Exchange

In a few weeks the marketing season for citrus fruits will be upon us. Growers who wish to market their fruits co-operatively should join the Florida Citrus Exchange now.

Scarcity of supplies and shortage of labor make it more than ever necessary for each local association to know, before the season opens, approximately how much fruit it will have to handle.

Last year the Florida Citrus Exchange sold a great deal more fruit for the members than in any preceding season of its history and served them with greater efficiency in realizing the full market value of the product of their groves.

During the coming season the Exchange will maintain and improve the high standard of marketing service that has enabled it to so fully satisfy grower members. Enlarged volume assists the organization to operate more efficiently and more economically.

If you are not affiliated with the Florida Citrus Exchange, but wish to profit by its sales service, take steps without delay to become a member. For information as to membership, write business manager Florida Citrus Exchange, Tampa, consult the manager of the nearest local association or call on

Your Dollar's Opportunity

Your dollar's opportunity is now, today! Set it to work for you. Give it the task of multiplying itself. In doing so it will perform its part in the world affairs.

Every man's money should be making use of this opportunity. Farmers, for instance, can not only feed the world; through businesslike handling of their farms and businesslike handling of their incomes they can help to develop the world.

Thrift Is Patriotism

Saving is a form of serving. It is one of the biggest forms of national service—service to your country. Our first president said, "Economy makes happy homes and sound nations."

The way to start right is to start right now! Saving is as much a habit as spending or putting things off. Once formed, it is easy to continue. But unlike other habits, it is a good habit.

When Pastor W. S. Gray of the Trinity Methodist church and his family returned from their vacation outing at Daytona Beach they were given a "pounding" by the members of the church and congregation.

*Mechanics that know their business at the Service Garage, Magnolia street.

THE CHILDREN'S SCHOOL

*Housed in an attractive room, 30 by 20, with large windows and a big open fireplace, the Children's School is offered as a social center for little children under school age, where they shall gather in happy groups for study, work and play—with the guidance and sympathy of an experienced teacher.

The activities include work with kindergarten and Montessori materials, sewing, cutting, weaving, building, clay modeling, sand table development, water color and drawing, songs, singing games and dances, story telling and dramatization.

Work preparatory to first grade will be added for children who are ready to receive it.

A light lunch, consisting of a cup of milk and crackers or cookies is served every morning to each child.

School will open Monday, Sept. 20. Mothers are asked to enroll the children at least a week in advance, so that provision may be made for them and confusion, delay and possible disappointments avoided. Information given gladly.

EMILIE ROBERTSON, Telephone No. 133 Mary Avenue, Corner Orange Street

*Good mechanics, first class automobile repair work at the Service Garage, Magnolia street.

*Room and shower 10 cents at Daugherty's Pavilion.

SAMSULA NEWS NOTES

Let's settle this right now!

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels combine every feature that can make a cigarette supreme!

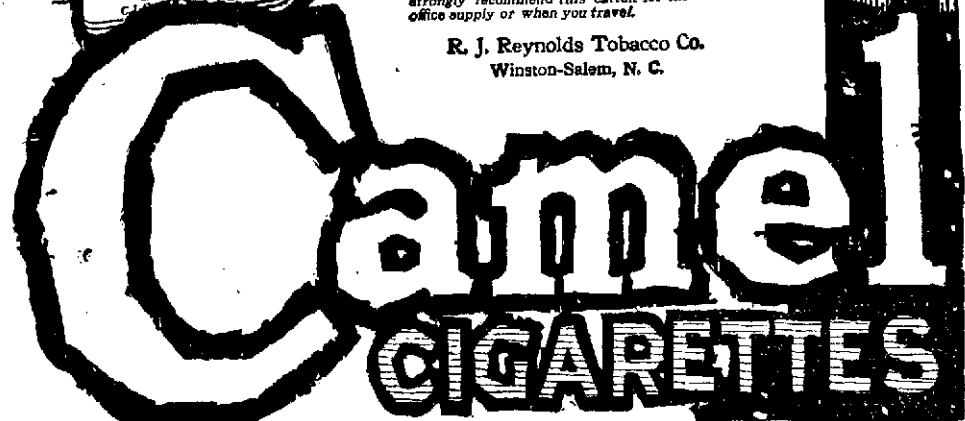

Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves. Their smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarettey aftertaste nor unpleasant cigarettey odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

CORONADO NEWS

William Schreck made a business trip to DeLand Monday.

Mrs. Florence Wilson arrived Friday for a stay with her parents; Mr. and Mrs. W. I. Dutcher.

Mrs. Ralph Spidell of Orlando is spending some time here with her sister, Mrs. J. C. Barrington.

John Krulder, who has been away for over a year in New York, has returned to his home in Coronado.

Harold Vrooman came in from his camp and spent Sunday with his parents, Mr. and Mrs. John Vrooman.

Mr. and Mrs. B. R. Beck and family of Sanford left Monday after a stay of a month in the Cooper apartments.

Miss Jennie Marot has returned from Daytona Beach and will make her home with her sister, Mrs. Longstreet.

Miss Ruth McLean accompanied her friend, Miss Jean Maxwell, to Sanford last Monday and will remain for a short visit.

Mr. and Mrs. Maxwell and family left Monday for their home in Sanford after a stay of two months in Holly Road Villa.

Mr. and Mrs. H. C. Longstreet came down Monday from Daytona Beach and have again taken up their residence in Coronado.

Mr. and Mrs. Hugh Moore and family have moved back into their beach

cottage and will spend the remainder of the season at the beach.

Mr. and Mrs. William Schreck and Mr. and Mrs. W. L. Cooper enjoyed a picnic dinner Sunday at the home of Mrs. John Silsby. A very pleasant day was spent by all.

Inquiries for places for the winter have already begun to pile in and it looks like in spite of the increased railroad rates Coronado will have her share of tourists this winter.

Rev. Mr. Gray has returned from his vacation and regular church services are now being held. Sunday school at 2:30 p. m. and preaching at 3:30, to which all are invited.

Mr. and Mrs. N. N. Jensen of Ocoee are spending a month in the Kilduff cottage and are so well pleased with Coronado that they contemplate building a summer home here.

There are lots of sea bass coming in now and several fishing parties have caught a number at Red Shell and the inlet. September and October are the months when they bite best, but a large number have been caught this year in August.

W. J. S. Carr was successful in landing a 75-lb. tarpon in the surf one day last week. The tarpon is one of the gamest of fish and this one gave Mr. Carr some fight before he was landed. This is the season of the year when the tarpon can be seen jumping in the surf just outside of the white caps and for several consecutive years Mr. Carr has been successful in his efforts to land one of them.

JUNIOR RED CROSS ACTIVE IN EUROPE

Garden seeds for Polish orphans, milk for anaemic Greek babies, carpenter's tools for Czech-Slovakian cripples—these are only a few of the gifts that young Americans are sending to the war-crushed children of the Old World.

Through the Junior Red Cross the boys and girls of the United States are giving a fresh start in life to little war orphans scattered all over Europe. They have set up orphan's homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

They are sending dozens of young Agrarians, Montenegrians, and Albanians to American colleges in Constantinople and Beirut, and maintaining more than a hundred orphan's homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

They are sending dozens of young Agrarians, Montenegrians, and Albanians to American colleges in Constantinople and Beirut, and maintaining more than a hundred orphan's homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

At the same time five thousand little Belgians were having a hot lunch every day at Junior Red Cross school canteens.

American school children have already raised something like a million dollars for these enterprises, and they are still hard at work.

In China, through campaigns of education, the Junior Red Cross is helping to combat widely prevalent blindness and cholera.

RED CROSS RELIEF IN CENTRAL EUROPE

But for timely assistance of the American Red Cross during the last year, a large proportion of the 20,000,000 population of the Balkan States might have starved or perished from disease or exposure. Six million dollars worth of food, clothing and medical supplies have been sent to the Balkans—Roumania, Bulgaria, Albania, Montenegro, Serbia, Bosnia and Greece—since the beginning of Red Cross relief operations in Central Europe.

While millions of dollars worth of food alone has been sent to the needy in these states.

The money expended by the Red Cross in this stricken portion of Europe has been used to set up hospitals, orphanages, dispensaries, mobile medical units and to help in the general reconstruction of devastated areas. American tractors and other farming implements have been sent to the agricultural regions where aid has been given in plowing the land.

By the last of this year probably all American Red Cross agencies administering relief in Central Europe will have withdrawn. By that time, it is believed, the people will have approached a normal state of living and will be able through their own agencies which the Red Cross has helped set up to provide for themselves.

Port Orange Episcopal Church

Sunday morning next there will be service in Grace church and Holy Communion at 11 o'clock. A cordial invitation is extended to all.

W. H. CRESSON, Archdeacon.

BIDS WANTED

The Board of County Commissioners of Volusia County, Florida, will receive sealed bids up to 10 o'clock a. m. Thursday, September 9, 1920, for furnishing and installing book shelving and document files in the vault in the Clerk's office as per plans and specifications now on file in the Clerk's office.

JOHN A. REILLY, Chairman.
SAM'L D. JORDAN, Clerk.
(aug6-sp3)

ELECTION PROCLAMATION

Whereas, at a special meeting of the city council of the City of New Smyrna, Florida, held for that purpose on the 26th day of July, 1920, the following resolution was adopted, passed and approved: "BE IT RESOLVED, that it is expedient to exercise the authority to construct, establish and maintain an electric light plant for city use of the city and its inhabitants; that the mayor be hereby directed to call a special election for the purpose of determining whether or not the city shall bond itself in a sum not greater than seven per cent of the real and personal property assessment of the city for the year 1919; such election to be held after due notice given, as provided for by the Revised Ordinances of the city."

THEREFORE, I hereby call a special election to be held on the 7th day of September, 1920, at the council room of said City of New Smyrna, whereof those voters who are qualified to cast their ballots shall determine whether or not said City of New Smyrna shall bond itself in a sum not greater than seven per cent of the real and personal property assessment of said City for the year 1919, for the purpose of constructing, establishing and maintaining an electric light plant for city use of the city and its inhabitants.

GEORGE J. OTT, Mayor.
Witness my hand as Mayor of said City this 28th day of July, A. D. 1920.

**Even the prisoner
was satisfied**

THE CASE WAS OVER.
AND WE jury-men.
WERE LOCKED in a room.
AND ONLY one of us.
WAS FOR conviction.
AND HE stuck to it.
ALL THAT day.
AND AT supper time.
WE FELT like sending.
FOR ELEVEN suppers.
AND ONE bale of hay.
AND THEN all through.
THE LIVELONG night.
WE TALKED and fought.
BUT NO argument.
WOULD SATISFY him.
AND MORNING came.
A GRAY and cheerless dawn.
AND OUR stubborn friend.

WAS OUT of smokes.
AND I talked to him.
AND GAVE him one.
OF MY cigarettes.
IT MAY have been.
JUST A coincidence.
IT MAY have been.
BUT I rather doubt it.
HE FINISHED the smoke.
AS I finished my talk.
AND HE said, "All right.
YOUR ARGUMENTS.
ARE LIKE your smokes.
THEY SATISFY."

CHESTERFIELDS "satisfy."
And yet Chesterfields are mild.
With "body" enough to satisfy a
cigar smoker, Chesterfields are
mild enough to suit any cigarette
smoker. They're mild and yet they
"satisfy." That is doubtless why
Chesterfields have so many friends
among both classes of smokers.
